The corresponding author, on behalf of all authors hereby approves and assures the **International Journal of Optics and Photonics (IJOP)** that the paper is original, has not been copyrighted, published, accepted for publication elsewhere, and that it will not be submitted elsewhere while under consideration. The authors hereby transfer all the copyrights of the above-titled original paper to the **International Journal of Optics and Photonics (IJOP)**.

Author(s) acceptance of this agreement will also constitute author(s) agreement that the article contains no material from other copyrighted or unpublished works that has been used without the written consent of the copyright owner and/ or of the owner of any other rights to or in such other works and that author(s) will obtain any such written consent as may be required and will deliver to **IJOP**.

IJOP grants the author(s) (or institution, in the case that the paper has made for hire) the following rights:

- The right to use all or parts of this article in future works of their own, but agree that not to reprint this article in any other journal or similar publications.
- The right to direct **IJOP** to grant permission to third parties to republish all or parts of the article or its translation. In such cases, **IJOP** must be entitled to negotiate and to receive reasonable royalties in respect of any such republication.
- The right to refuse permission to third parties to republish all or part of the article or translations thereof. **IJOP** may grant rights with respect to journal issues as a whole.
- If the article has been prepared by an employee within the scope of his or her employment,
